

GULF COAST SOCCER 3V3 LEAGUE — SUMMER 2019

LEAGUE OVERVIEW

This summer, Gulf Coast Soccer will be hosting a 3v3 summer league. The league is open to all players who will be in the U7–U19 age groups in the Fall 2019 season (born from 2013-2001).

- U10 and below will compete in coed divisions. U12 and up will have the option of playing in a coed division or a boys-only division.
- Games will start on after June 11, with most games scheduled for Tuesday nights. All games will be played at the Gulf Coast Soccer Complex (5601 N Twin City Hwy, Port Arthur TX 77642). Younger teams will play in the earlier time slots, and older teams will play in the later time slots.
- The season will consist of 6 games played throughout the month of June and July (there will be no games during the week of July 4).
- The cost is \$75 per team, to be paid in full with this completed registration form. We will not accept partial payments from individual players.
- Team coaches/captains will register their team in person and can pay with check, cash, or credit card.
- Each team must have at least 5 players on the roster, with no max limit of players who may play for that team during the summer.
- Players can be added to the team at any point during the season, but may not play for more than one team in any division during the season.
- Once a team has submitted its registration form, its players must register individually online. This registration is free for players who played at Gulf Coast (or another SYSA member club) in 2018-19, and just \$10 for players who were not registered within SYSA last year.

3V3 LEAGUE — SUMMER 2019

PLAYING RULES

- **Coed Brackets:** Teams playing in a coed bracket may not have more than two boys on the field at the same time. They may have up to three girls playing at the same time.
- **Team Uniforms:** Teams must wear the same color shirts for games. Shirts do not have to be numbered. Teams can make/buy their own shirts, wear their club uniforms, or purchase matching shirts from the Gulf Coast Spirit Store.
- **Duration:** Games will consist of two 20-minute halves (for U7-U10) or two 25-minute halves (for U11-U19) plus a 5-minute halftime. Games will start on the hour (6pm, 7pm, or 8pm) with a running clock. Each game must be completed before the next one is scheduled to begin (late starts will be cut short).
- **Team Coaches/Captains:** Each team must have a designated team coach or team captain who will ensure that team/sideline conduct is appropriate. We will not have referees, so players and team coaches/captains will act as their own referees and will keep track of the game clock.
- **Field Marshals:** We will have trainers on-site as field marshals to help answer questions and to keep games running on time.
- **Scoring:** All goals are worth one point. Goals may only be scored from the attacking half of the field.
- **Playing Field & Goal Arcs:** All games will be played on U6/U8 Micro fields. There will be a 2-yard arc painted in front of each goal. If an attacker touches the ball inside this arc, the defending team receives a goal kick. If a defender touches the ball inside this arc, the attacking team receives an open-goal penalty kick from the center spot of the field.
- **Kick-ins:** Balls that go out over the touchlines will be restarted using a kick-in. To take a kick-in, place the ball on the touchline where it went out then pass it in play. Defenders must be at least 5 yards away from the ball until it has been kicked. Goals may be scored directly from a kick-in in the attacking half.
- **Goal Kicks:** Goal kicks are taken from the top of the goal arc. All defending players must retreat into their own half of the field until after the ball has been kicked.
- **Corner Kicks:** Defending players must be at least 5 yards away on all corner kicks. No attacking or defending players may be inside the goal arc.
- **Kick-offs:** Kick-offs are taken from the center of the field at the start of each half and after each goal. The player taking the kick has one touch (either forward or backwards) to put the ball in play.
- **Substitutions:** Players may be substituted at any stoppage (kick-offs, goal kicks, corner kicks, kick-ins, etc.). All players coming in to the game must enter at the halfway line. The team with possession does not have to wait for the opposing team to complete its substitution before restarting play.
- **Fouls:** All fouls will result in a direct free kick. Defenders must be 5 yards away from the restart. The offside law will not be in effect.
